A big sadness.

A big stroke of luck

A big surprise.

A book that matters to you.

A celebrity you were in
love with as a teenager.

A chore you enjoy doing.

A compliment you
did not deserve.

A concert that
matters to you.

A day when you should
have stayed at home.

A definitive opinion
about a mundane topic.

A failure you do not regret.

A famous ancestor.

A funny moment at school.

A funny moment at work.

A genius move
that saved the day.

A gift you did not like.

A good memory
with your parents.

A good memory
with your pet.

A good moment at school.

A good moment at work.

A good year.

A guilty pleasure

A hobby you are
ashamed to like.

A job you wanted to do
later, when you were a kid.

A joke you invented.

A lie you keep
telling yourself.

A little treat at home.

A little treat at work.

A little treat during holidays.

A luxury you don't want.

A missed occasion.

A movie that
matters to you.

A movie you are
ashamed to like.

A music that
means a lot to you.

A music you are
ashamed to like.

A music you like in a
genre you don't like.

A part of your
body you like.

A part of your body you
would like to change.

A personal rule
you abide to.

A personal link with
an historical event.

A piece of information
that wasn't meant for you.

A place that matters to you.

A proud moment at school.

A proud moment at work.

A recent good surprise.

A recipe you know by heart.

A resolution you
cannot stick to.

A resolution you did
not manage to stick to.

A resolution you
managed to stick to.

A sad moment at school.

A sad moment at work.

A scary moment at school.

A scary moment at work.

A secret that is
no longer a secret

A song in your head.

A song you know by heart.

A sporting event
that matters to you.

A stupid quarrel.

A subject you know
more about than most
of the other players.

A tactile memory.

A taste memory.

A teacher that struck
with you, in a bad way.

A teacher that struck
with you, in a good way.

A very old memory.

A visual memory.

A weird compliment
you got.

A word or sentence you use at work, with friends or family, that other players should not understand.

An akward
moment at school.

An akward moment at work.

An anecdote which
it told at every single
family gathering.

An auditive memory.

An effort you gave that
was not acknowledged
as it should have been.

An exception you would do
to one of your principles.

An expensive purchase
you should not have done.

An habit you lost.

An habit you recently got.

An habit you will
lose someday.

An historic event or period
you are enthusiastic about.

An historic event you would
like to have witnessed.

An irrational fear.

An olfactory memory.

If that day had been any different, your whole life would have been different.

It was a long time ago,
but you are still undecided
whether you took the
right decision or not.

Money you did not deserve.

Nobody is going to
believe that this really
happened... yet it's true.

One of your best date.

One of your best
work meetings.

One of your favorite meal.

One of your worst date.

One of your worst
work meeting.

People do not understand
why you like that.

Some hours, days, weeks,
years of your life that
could be a movie.

Someone who isn't aware
they changed your life.

Something about which
you changed your mind.

Something
expensive you own.

Something in your life
that was better before.

Something in your life that
was not better before.

Something mundane
and rare about you.

Something mundane
that you hate.

Something mundane
that you like.

Something people wrongly
assume about you.

Something shameful that
you are comfortable with.

Something that angers
you every single time.

Something that does
not make you laugh.

Something that
does not move you.

Something that is on
your bucket list, that
you still haven't done.

Something that makes
you a bad flatmate.

Something that makes
you a good flatmate.

Something that
makes you angry.

Something that
makes you calm.

Something that
makes you happy.

Something that
makes you laugh.

Something that
makes you sad.

Something that makes
you think: "I was such
an idiot back then!"

Something that makes
you uncomfortable.

Something that
recently made you cry.

Something that scares you.

Something that shows that
you are not that old yet.

Something that shows
that you are not
that young anymore.

Something that surprised
you about one other player.

Something that you admire
about one other player.

Something that you
are jealous about
one other player.

Something very
old that your own.

Something very specific
you know about a topic
you don't know that well.

Something you admire from
people you vote against.

Something you are better
at than you thought.

Something you are worst
at than you thought.

Something you broke or
lost, and you regret it.

Something you can
do better than before.

Something you can do
better than most of people.

Something you can do
better than your parents.

Something you
cannot believe.

Something you cannot
do better than before.

Something you cannot do
better than most of people.

Something you cannot do
better than your parents.

Something you care
a lot about, but a
burglar would not want.

Something you could
talk about for hours.

Something you did
not think you would
ever say, and yet...

Something you did with
your parents that your
children won't do with you.

Something you fear for
your children or parents.

Something you like,
that you did not like.

Something you never did.

Something you
should get rid of.

Something you should have
stopped a long time ago.

Something you
should have told.

Something you
should not have told.

Something you
still cannot do.

Something you used to like, but you no longer like.

Something you will
probably never do again.

Something you would do if
you were not that ashamed.

Something you would do if
you were not that scared.

Something you would
like to be able to do, but
that you are probably
never going to learn.

Something you would
not change even if
you won the lottery.

Something you would
rather not know.

Something your are
not proud about.

Something your
are proud about.

Something your
are really bad at.

Something your
are really good at.

Something your parents
are not proud about.

Something your parents
are proud about.

Somewhere you would
like to go, but you
will probably never.

That time it went
better than expected.

That time it went
worst than expected.

That time you are probably
remembered as the bad guy.

That time you are
probably remembered
as the good guy.

That time you are probably
remembered as the idiot.

That time you
broke the law.

That time you could explain,
but nobody believed you.

That time you could not
resist to peer pressure.

That time you could
resist to peer pressure.

That time you did
not acknowledged
you were wrong.

That time you
dodged a bullet.

That time you got
a quick comeback.

That time you lost all hope,
but it eventually went fine.

That time you should
have kept quiet.

That time you should
not have been nice.

That time you should
not have helped.

That time you told
yourself: "never again!"

That time you were at the
right place at the right time.

That time you were
at the wrong place
at the wrong time.

That time you were right,
but nobody believed you.

That time you were the perpetrator of an injustice.

That time you were the
victim of an injustice.

That time you weren't
aware of the danger.

What do you
need these days?

What do you
want these days?

What radicalized you?

When you got turned down,
and you will never forget it.

When you realized the
social class you belong to.

When you realized
the word is not fair.

When you thought:
"He/She is the
man/woman of my life."

You cannot understand
why people love that.

You disagree about
that with most of
the other players.

You feel illegitimate,
but you should not.

You hesitated a lot, but
you took the right decision.

You know you should not,
but you keep doing it.

You wonder how you
have been living
without that for years.

Your bedside book.

Your useless talent.
